THREE UNUSUAL CASES PENDING

Ouster Suit, Disbarment Proceedings and Motion for Change of Venue.

The Hamilton county courthouse will on next Saturday be the scene of three of the most interesting, as well as unusual, suits in the history of the county. Probably never before in the history of the state, or the entire south, have three cases, involving such legal magnitude, been tried in the same city, in the same courthouse, at the same time, on the same day. Probably never before in the state has the ability of a young lawyer been so recognized as for him to have been employed as leading counsel in three such suits involving such a wide and unusual scope of law.

Saturday morning at 9 o'clock Chancellor W. B. Garvin will resume the hearing of the proceedings to ouster Sheriff Nick P. Bush, the first proceedings of the kind in Hamilton county since the passing of the ouster law.

In the circuit court, at the same time, Judge Nathan L. Bachman will begin the hearing of charges seeking to disbar J. H. Daly and P. L. Long, the first proceedings of its character in a number of years.

In the criminal court, Judge S. D. McReynolds will begin the hearing of the argument for a change of venue in the Welch murder case. T. Pope Shepherd is the leading counsel for the sheriff, for J. H. Daly and for the state in the proceedings seeking to have a change of venue granted Welch. Although Mr. Shepherd is yet a young lawyer he is fast becoming recognized as one of the best students of law in Hamilton county, he having inherited the splendid legal mind of his distinguished father, the late Judge Lewis Shepherd.

In the Bush case, which has been in progress three days, despite the fact that Mr. Shepherd is opposed by a brilliant array of counsel, he has met them at every turn and the proceedings so far have been about fifty-fifty as far as counsel are concerned.

Another Coincidence.
The docket in the three courts on Saturday is the fact that two of the law suits, the one in chancery court, and the one in criminal court, grew out of the same transaction. It was for charge of neglect of duty during the street car strike that the proceedings against the sheriff were filed, and it was the shooting of Will Massengale during the same strike which brought about the charge of murder against Welch. It will be remembered that Welch was indicted by the grand jury on the charge of killing Will Massengale on a Sunday afternoon during the street car strike. Welch, through a brilliant array of counsel, composed of J. Lynch, Eugene Williams and Hon. Clem Jones, of Athens, will Saturday ask Judge McReynolds to allow him a change of venue on the ground that the state of the public mind is such that he cannot receive a fair and impartial trial in Hamilton county.

The public is familiar with the proceedings to take place Saturday in the

TAKE IRON FOR RHEUMATISM

Product of Medicinal Iron Mine Down in Mississippi Knocks the Spots Out of Old Man Rheumatism.

KNOXVILLE DRUG CLERK RECOMMENDS IT HIGHLY

So many people are saying Acid Iron Mineral helps them get rid of rheumatism and blood troubles after vegetable preparations fail that the proof seems to mean that acid iron drives uric acid and blood impurities out of the system quickest and best.

R. H. Johnson, one of the genial clerks in Rosenthal's Drug Store, Knoxville, Tenn., giving his address as 432 Walnut street, that city, says that he suffered from rheumatism and a stiffness in his limbs and joints so bad it was difficult for him to get about. Speaking of his experience with it, he says:

Drug Clerk Highly Recommends It.
"A friend told me about the results to be expected from the use of Acid Iron Mineral and I took it and I'm glad to say it recommended it to customers who inquire for blood, tonic, and rheumatic medicine. I gladly endorse this powerful mineral compound," writes R. H. Johnson (Rosenthal's Drug Store).

Doctors usually procure Acid Iron Mineral in gallon and half-gallon bottles. It was through the mixing of A-I-M highballs, as they called them from the prescription bottle behind the counter in a northern drug store that the discovery was made that fountain customers liked it in their soft drinks. You will find A-I-M served in all the larger cities. People take it home, take a half teaspoonful in a glass of water at meal times and mothers say the children never suffer with the blood ailments so troublesome at times. It surely helps the blood. Stop by and get a dollar bottle today. It lasts for weeks.

Stop Itching Eczema

Never mind how often you have tried and failed, you can stop burning, itching eczema quickly by applying a little zemo furnished by any druggist for 35c. Extra large bottle, \$1.00. Healing begins the moment zemo is applied. In a short time usually every trace of eczema, tetter, pimples, rash, blackheads and similar skin diseases will be removed.

For clearing the skin and making it vigorously healthy, always use zemo, the penetrating, antiseptic liquid. It is not a greasy salve and it does not stain. When others fail it is the one dependable treatment for skin troubles of all kinds.

LEADING COUNSEL

T. Pope Shepherd to Appear in Three Unusual Proceedings on Saturday.

circuit court against J. H. Daly and P. L. Long. Charges were preferred in this case by the grievance committee of the bar association. The proceedings are especially unusual in that charges were preferred against the two lawyers by the grievance committee of the bar association, of which neither is a member. These proceedings will be watched and the result awaited with interest. The Bush ouster case will probably consume the early part of next week. In the cases against the lawyers, Capt. Kenneth Kern, chief of military police, will be the principal witness as the charges originated in an investigation he asked the sheriff to make. He claimed that the conduct of the two lawyers interfered with his work in clearing the town of immoral women.

TENNESSEE U. D. C. COMPLETES CAMPAIGN

Had Been Working for Funds for Ambulance, Kitchen Trailer and Bed.

Mrs. Birdie Askew Owen, of Jackson, president of Tennessee division United Daughters of the Confederacy, has called the next annual meeting of the division to convene in Nashville on May 8, 9 and 10, inclusive.

This will be the twenty-second annual convention of the Daughters, and in view of the effort which the U. D. C. has made to help along with the war program and the success they have attained, bids fair to be one of the most important in the history of the organization.

Checks were mailed last week to Red Cross headquarters to pay for one ambulance, one kitchen trailer and one bed, to be used in hospital service in France. With the mailing of these checks, the dream of the president of the Tennessee division of the Tennessee division of the United Daughters of the Confederacy, Mrs. Birdie Askew Owens, became a reality and the daughters of the south had accomplished something for which they have every cause to be proud.

The ambulance, when it is put in service to carry the boys "over there" from the battlefields to the hospitals, will bear an inscription as follows: "From the United Daughters of the Confederacy."

Tennessee Division.
In Honor and Loving Memory of Our Boy Martyr, Sam Davis.

Thus will be perpetuated in a substantial way, the memory of one boy who laid down his life gladly for the cause of the Confederacy, although he might have saved it had he been willing to speak the name of one man.

The kitchen trailer will bear the inscription "From the United Daughters of the Confederacy of Memphis, Tenn.," while the bed will be dedicated by the daughters of the state of Tennessee in memory of "The Tennessee Private Soldiers of the Sixties."

LOOKOUT! WOMEN TO RUN FOR OFFICE

They Didn't Throw Their Hats in the Ring but Are Just Rapping.

Sixty-three women of Lookout mountain have qualified to vote and will cast their ballots in the coming municipal election. The registration closed Wednesday night with a total of 168 voters registered. Out of this number sixty-three were women.

A large primary mass meeting will be held in the town hall Friday night, at which time the candidates for school commissioner and town commissioners will be nominated.

Under the law passed by the last legislature, the women were given the right to vote, and they not only exercise the right of franchise, but will go out after at least one of the places on the board of education.

It wouldn't do to use a man's political term and say that the women announced as candidates had thrown their hats into the ring. Oh, no! Women wouldn't be so silly as to throw a \$25 or a \$50 hat even in the dust of a political ring, so a milder term must be used. Perhaps willing Barkis would do. That is, three of the leading matrons and one matronelle are in a receptive mood, and if the honor of membership on the educational board is handed them they may accept. These four are Mrs. James H. Anderson, Mrs. John Chambliss, Mrs. J. H. Wilson and Miss Ernestine Nox.

Those who have registered are as follows:
Mrs. T. H. Caldwell, Mrs. Hollis Caldwell, Mrs. T. W. Lively, Miss Grace Williams, Miss Marion Wheelock, Mrs. N. A. Mullins, Mrs. A. G. Waters, Miss Louise Leavitt, Mrs. G. A. Leavitt, Mrs. W. D. Clippinger, Miss Nina Ragoo, Mrs. Gaston Broad, Mrs. F. H. Williams, Mrs. V. E. DeGorris, Mrs. T. E. Fawcett, Mrs. H. S. Seale, Mrs. E. B. Watson, Mrs. Henry Coe, Mrs. A. G. Moore, Miss Belle Klaus, Mrs. J. W. Jones, Mrs. E. W. Goodhue, Mrs. O. H. Orton, Mrs. J. W. Johnson, Mrs. Z. C. Patten, Jr., Mrs. J. L. Huff, Mrs. Carl White, Miss Nancy White, Mrs. Mark Senter, Mrs. T. H. McClure, Mrs. J. W. Capwell, Mrs. J. E. Smartt, Mrs. J. T. Lynn, Mrs. W. B. Swaney, Mrs. J. G. Giles, Miss Anna Allen, Mrs. A. M. Allen, Mrs. Rosa T. Nelson, Mrs. A. T. Waters, Miss Louise Blevins, Mrs. Adam Haskell, Miss Ida Lively, Mrs. W. E. Hamilton, Mrs. Kate Gillespie, Mrs. Leo Rosenbloom, Mrs. J. H. Wilson, Mrs. Charlton.

COUNTY DEMONSTRATORS TO HOLD CONFERENCE

Plans have been arranged for the meeting of the county demonstration agents in the twenty-two surrounding Tennessee counties in this city on Saturday, March 22. D. T. Hardin, district agent, will have charge of the meeting. The visiting agents will be entertained at a luncheon by the Chattanooga District Fair association.

COLORED TEACHERS TO HEAR AN ADDRESS

The principals of all the city colored schools have made arrangements for a meeting of all teachers, the patrons of the schools and colored citizens at the courthouse auditorium Friday night at 7:30 o'clock. At this time Supt. C. H. Winder, of the city schools, will address the audience. Music will be furnished by the Howard High school and the upper-grade pupils selected from the four colored grammar schools. J. G. Burge will preside at the meeting.

How You Can Aid Your Dealer to Keep Prices Down!

THE retail merchant with whom you deal does not like present prices any better than you do. He is the victim of circumstances. The producers of raw materials get more for foods than ever before. For example, during the past fiscal year, Armour and Company paid raisers 47% higher, or more for livestock than during the year 1915 preceding our entry into the war, and with virtually no increase in the total weight received. Thus, it must be obvious that the retailer's stock costs him much more money.

SO TO do the same volume as formerly, a dealer has to tie up considerably increased investment in stock. The interest charges are heavier. And, with other similar factors militating against him, the probability is that his year's profits are no more than they used to be—if, indeed, they are as much. Without relief in sight until things return to normal, it becomes apparent the only way dealers can keep down prices to you is to reduce operating expenses. And here, you can help.

Carry Parcels Home

IF YOU will pay cash and carry purchases home, you can cut bookkeeping and delivery costs. For, these things are charged in the prices you pay.

Another thing—buy your foods in packages, trademarked and backed by the maker's guarantee of quality. Remember, no one can vouch to you for uniform quality on bulk goods.

If you will buy foods in packages instead of in bulk, you will cut the dealer's wage bills and release men for the country's service. A package can be handed down off the shelf quicker than the quantity can be weighed out and wrapped.

And if you will confine your purchases to standardized brands of known value and dependability, you

will be helping in another way. Your dealer will not have to keep on his shelves a miscellaneous assortment of different brands of the same article, occupying expensive shelf room and, because they are "stickers", tying up capital and forcing him to increase prices on other goods.

Buy Oval Label Foods

THIS last constitutes an important reason why housewives should buy Armour's Oval Label Products. Under this famous label, which indicates Armour's top quality no matter on what kind of food you find it—at once a trademark and a grade-mark—you can buy practically everything you need among table staples. Soups, fish, meats, vegetables, condiments, fruits, beverages and many other necessities come under it.

Thus, the Oval Label can assure you of much more than merely the best quality. By enabling the dealer to dispense with slow-moving stock and confine his purchases to one standard brand covering every kind of food, it cuts his cost of doing business and keeps his prices down.

Help your dealer to concentrate his investment in stock by concentrating your purchases on Armour's Quality Products.
